

Installing the ATS/CityMobil Simulator on the Lab Machines

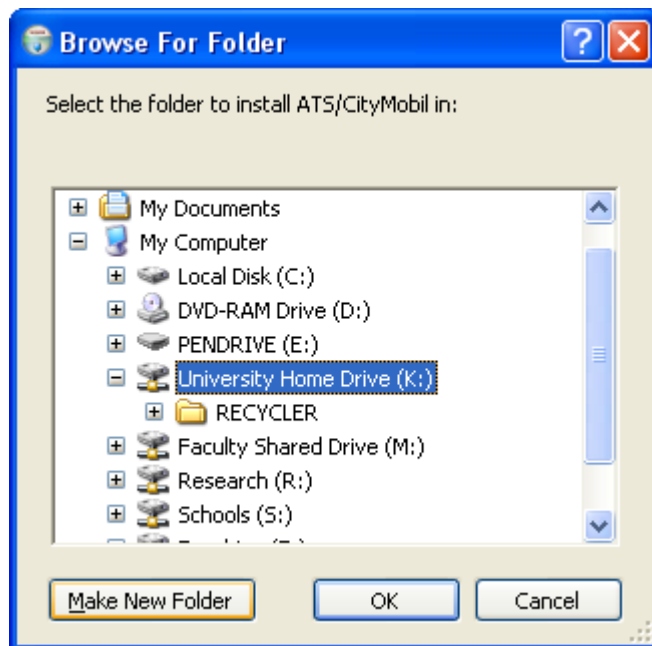

JLM 20101115

Download

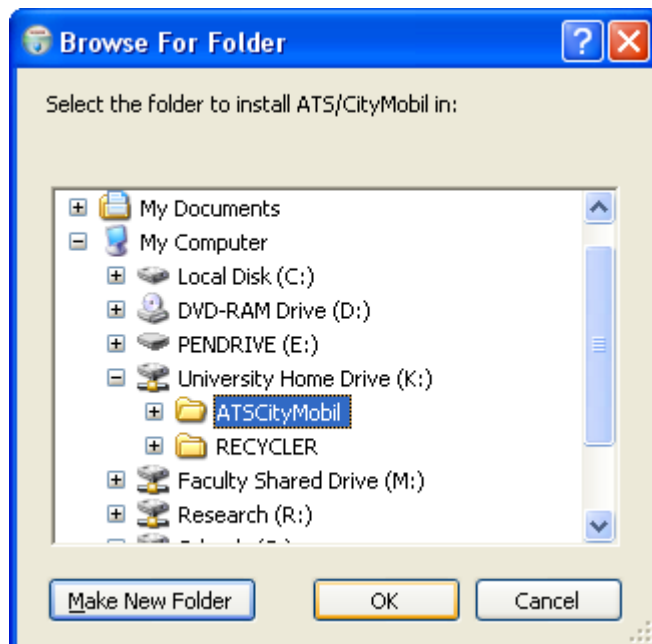

You can download the installer from: <http://seis.bris.ac.uk/~enjdlm/emat20005/>

Install

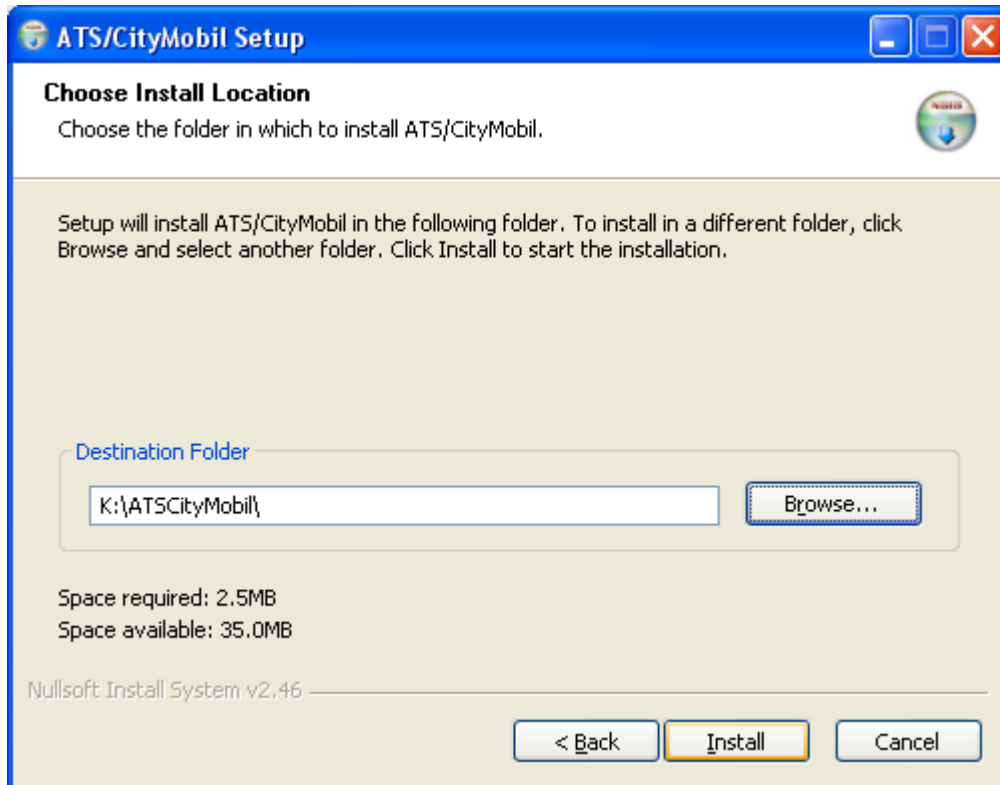

1. Click *Next* and then agree to the license (if you do!).
2. Click *Browse...* to choose where to install.

3. Choose your University Home Drive (K:) and click *Make New Folder*. Call it *ATSCityMobil*. Click *OK*.

4. Click *Install* and then *Next*.

5. Click *Finish*.
6. To run ATSCityMobil again, browse to your University Home Drive (K:) and double click *atscitymobil.exe*.
